New Business:

1. Next SDT Leadership Meeting – May 29th, 2013 at 8:30 am EDT
2. Eric K. has begun to draft Chapter 1 of the ACEP
 - a. Content was drawn from previously written material and the discussions of the first SDT meeting
3. Alaska SDT Meeting Planning
 - a. Eric K. has contacted Dave McGuire to discuss a side meeting at the SDT with local land managers
 - b. While a side meeting with the science community has also been discussed, Eric K. suggested determining which research groups should be represented might be a task best fitted to the site planning group (lead by Peter G. with involvement by Dan H.)
4. ABOVE SDT Homework Report (Dan H.)
 - a. Homework 1 is due by the 28th – Small groups (organized by the questions within the vulnerability framework) should be sending bullet items or text soon
 - b. Homework 2 is due today – Only 5 SDT members have turned in their “Big Thing” continuation homework thus far. Synthesizing this information will help Dan H. and Eric K. to craft Chapters 1 and 2 and to better focus the ACEP.
 - c. As Dan H. and Eric K. are working on writing Chapters 1 and 2 (through incorporating the Homework Assignments) prior to the Fairbanks meeting, the Fairbanks meeting can include developing the sites and experimental design
5. Next Full SDT Conference Calls
 - a. June 12th 12pm EDT
 - b. July 2nd 1pm EDT
