

**Daily Activity Safety Planner**

<p><b>Emergency phone number:</b> <i>This may be 911 or the person that you left your daily plan with.</i></p> <hr/>	<p><b>Location(s):</b> <i>Is a GPS necessary to be able to give coordinates to an emergency responder?</i></p> <hr/>	<p><b>Names of participants:</b></p> <hr/>
<p><b>Alternate emergency number/channel:</b></p> <hr/>	<hr/>	<hr/>
<p><b>Sat/Cell phone number</b> <i>To give emergency responders.</i></p> <hr/>	<hr/>	<hr/>

**Tasks to be accomplished** (*scientific fieldwork, road survey, etc.*)

---

---

**First aid responder** (*the person responsible for first aid kit and primary response*)

---

**Communications lead** (*the person responsible for sat phone, radio, etc.*)

---

**Contact to be called if emergency response is needed** (*this may be 911, or a local emergency response group*)

---

**Hazards to discuss** (*bears, weather, poor road conditions, etc.*):

---

---

**Hazard mitigations** (*bear spray, travel in groups, etc.*):

---

---

**Is travel taking place in a truck, atv, snowmachine, or boat? Is another team member able to take on driving duty if found Suddenly in Command (SIC):**

---
